MATCHES

As you are all aware we are nearing the end of the season. With 18 matches played, 14 won, 3 lost and 1 drawn the boys have done fantastically well so far. There is only 4 matches left to play now so it is vital to keep the positiveness going to the last game. The final 4 fixtures are as follows:

March 18th Welton A v Welton B, to be rearranged

March 25th Welton A v Caythorpe, 2.15pm at home **Raffle prize greatly appreciated*

April 1st Welton A v Greenbank, 2.15pm away

April 22nd Welton A v East Coast, 10.45am away

As you are all aware next year we shall be playing in a competitive league, and I'm sure we can do extremely well, by building on our success from this friendly season. However I still believe, first and foremost the boys must enjoy the game and it is my objective to maintain the team spirit, enjoyment and fairness, whilst developing further the skills of each player and the squad as a whole. Over the final few matches and throughout the summer when I hope to arrange some friendlies, the boys need to continue their hard work, efforts and positive attitude in training to earn themselves a place in the starting line up.

TOURNAMENTS

Once the season finishes it will be the time of year that many clubs hold 5 or 6 a side tournaments for varying age groups. So far we have been invited to the St Helens 5 a side competition at Ashby Avenue on Sunday 6th May. I have sent off the application and I will get confirmation approx. 10days prior to the competition.

TRAINING

I will continue with training at William Farr sports hall until Easter (Monday 2nd April will be the last indoors). There will be no training on Easter Monday, but we will then be outdoors on 16th April still on a Monday 6-7pm at Manor Park. I'm keen for everyone to attend that training as it just before the East Coast game. There will then be 2 further training sessions; 23, 30 April prior to the St Helens tournament, and then we will have a break.

CLUB NEWS

I hope those who attended the Bingo Eggstravaganza had an enjoyable evening. All funds raised go back into the club.

Following last weeks managers meeting, you may be interested to know that Scunthorpe Utd Scouts have been keeping an eye on many of the Welton teams. They have asked 3 players from the U11s, 1 player from the U12s and a player from another age group to attend trials with them, so I'll keep you up to date with any success stories.

Also Terry Peachmans team; U12A's won the cup at Lincoln Utd last Wednesday. This is the third year running they have reached the final against Manor Utd.

PRESENTATION NIGHTS

Once again the club will be holding their annual presentation nights for each team as soon as the season finishes. I have now had confirmation that U7A, U7B, U8, U9, U10A, and U10B will be held on Friday 18th May. Three trophies are up for grabs; Player of the Season, Most Improved Player and Clubman. All the boys will receive a medal and shield and I will have further details on final arrangements nearer the time.
